

Greater Fox Cities Area Habitat for Humanity Engineering and Surveying

This bid is for all Habitat New Construction Projects for 2024. The number of bedrooms is dependent on family size (See the included typical plan). The number of new houses will usually be 13 – 15 projects built throughout the year. A schedule of work showing work dates will be provided at the beginning of each build year for all projects. This allows the contractor to schedule Habitat work well in advance of the date needed.

Contractor must be available at time specified on building schedule to complete work in a timely manner. This schedule will be provided for all houses at the beginning of the year.

The plan for the house at 329 Lisbon Ave., is a typical Habitat House Plan.

- For Habitat Homes we typically need an erosion control plan, our lots staked for excavation and at times a lot survey. Using the house plan on Lisbon Ave., please provide an estimate for the following:
- The erosion control plan. **Price: \$**
- Staking of the house for excavation. **Price: \$**
- Lot survey, if required. **Price: \$**
