

## Greater Fox Cities Area Habitat for Humanity Flooring Bid Specs

This bid is for all Habitat's New Construction Projects for the entire year. The number of bedrooms is dependent on family size (See the included typical plan). Bedrooms for 3-5 bedroom homes will be placed in the basement area using egress windows. The number of new houses will usually be 13 – 15 projects built throughout the year.

If your company does not typically handle the exact products described below you may substitute products of an equal quality. A typical house plan is included for a reference. Please Bid the following floor coverings and installation:
