

Women Build - 2026

Volunteer Days: Estimated July - October 2026

Home Completion: Estimated Mid-November

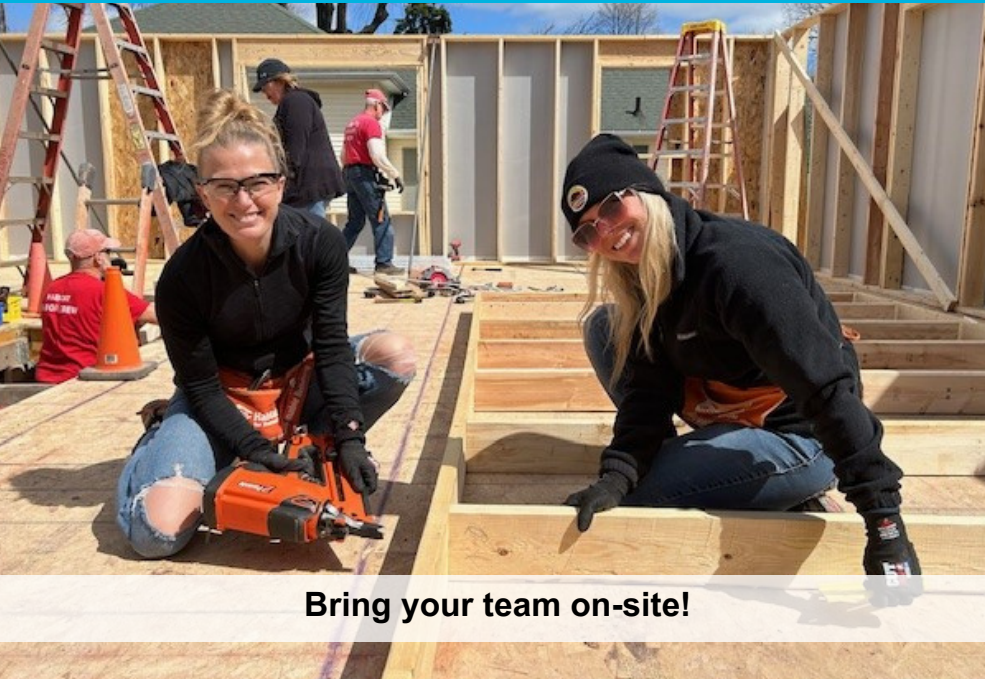

Engages, educates, and empowers women to transform lives and strengthen communities by building safe and affordable homes.

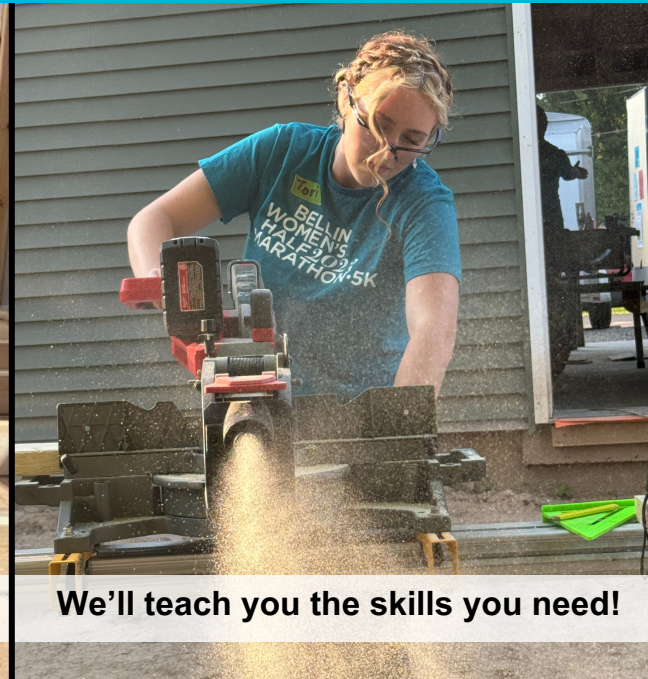

Offers Construction 101 classes led by women, for women, where participants gain valuable skills and confidence in building and construction.

For 20 years, Fox Cities Habitat has proudly hosted Women Build!

Bring your team on-site!

We'll teach you the skills you need!

Today, the need for safe and affordable housing has never been more evident. Fox Cities Habitat is uniquely positioned to offer affordable housing for families in our community with a 0% interest loan and affordable mortgage payments.
